Achievement Gap

Achievement gaps display the differences in academic performance between student groups. The display below shows the gap in readiness for the next level between low income (LI) students and non-low income (non-LI) students on the SAT for both English Language Arts (ELA) and Math.

Educator Measures

This district has had an average of 1 principal(s) at the same school over the past 6 years. District wide in the last three years, an average of 93% of teachers return to the same school each year.

Student Attendance and Mobility

Most of this data has been collected by ISBE from school districts through data systems. Some information, such as the School Highlights, is entered directly by principals and can be updated throughout the year.
