

2015 Test Dates PARCC

Performance-based assessment (PBA) occurs about 75% of the way through the school year. Since students write about their work (“performance”) all of these assessments must be hand-scored by trained experts, a lengthy process that will be completed by the end of the school year.

End of Year (EOY) testing takes place about 90% of the way through the school year. All items on these tests are scored by machine, so results can be returned immediately.
